

A hand-drawn schematic diagram of a rectangular structure. The main body is a large rectangle labeled 12 on its right side. At the top, there is a horizontal dashed line section. A bracket labeled 10 spans the width of this dashed section. A bracket labeled 20 is positioned above the dashed section, pointing to its top edge. A bracket labeled 16 is positioned to the left of the dashed section, pointing to its left edge. Two arrows, both labeled 2, 3, 4, 5, point towards the dashed section from the top right and the center right.
